4. This authorization shall be in force for One Time.
5. This authorization is subject to the conditions stated below and to such other conditions as may be specified in the rules for the time being in force under the Environment (Protection) Act, 1986.

**Terms and conditions of authorization \***

1. The authorization shall comply with the provisions of the Environment (Protection) Act, 1986 and the rules made there under.
2. The authorization or its renewal shall be produced for inspection at the request of an officer, authorized by the prescribed authority.
3. The person authorized shall not rent, lend, sell, transfer or otherwise transport the biomedical wastes without obtaining prior permission of the prescribed authority.
4. Any unauthorized change in personnel, equipment or working conditions as mentioned in the application by the person authorized shall constitute a breach of his authorization.
5. It is the duty of the authorized person to take prior permission of the prescribed authority to close down the facility and such other terms and conditions may be stipulated by the prescribed authority.
6. The Bio- Medical waste shall be segregated into containers or bags at the point of generation in accordance with schedule I prior to its storage, transportation, treatment.
7. The containers or bags referred to in sub-rule (2) shall be labeled as specified in schedule IV.
8. The occupier shall ensure that bio- medical waste generated in hospital is handled without any adverse effect to human health and the environment.
9. If a container is transported from the premises where bio-medical waste is generated to any waste treatment facility container shall, apart from the label prescribed in schedule IV, also carry information in schedule IV.
10. Bio-medical waste shall not be mixed with other waste.
11. No untreated bio-medical waste shall be kept beyond a period of 48 Hrs. If it becomes necessary to store beyond 48 Hrs. The authorized person must take permission from the prescribed authority to ensure that it does not adversely affect human health and the environment.
12. The occupier shall submit an annual report to the prescribed authority in form IV by 30<sup>th</sup> June every year, to include information about the categories and quantities of Bio-medical waste handled during the preceding year.
13. This authorization shall be valid subject to the validity of agreement with the Common Bio Medical Waste Treatment Facility. Renewed agreement should be submitted before the expiry of existing agreement.
14. The occupier shall maintain a record to the generation, collection, reception, storage, transportation, treatment, disposal and or any form of Bio-medical waste in accordance with these rules and verification by the prescribed authority at anytime.
15. The occupier shall ensure the Mercury Spillage Management within the Hospital/Nursing Home etc due to breakages of thermometers, pressure & other measuring equipments as the spilled mercury does not become part of bio-medical or other solid wastes generated from the health care facilities.
16. Bar code system for bags or container containing bio-medical waste to be sent out of the premises or place for any purpose should be submitted within 15 days.
17. The occupier shall ensure that waste water generated from the hospital shall be treated as per norms and should obtain consent to operate, under provision of Water (Prevention & Control of Pollution) Act, 1974 Under section 25/26 and Air (Prevention & Control of Pollution) Act, 1981 under section 21/22.
18. It is within powers and function of the U.P. Pollution Control Board to modify/revoke the terms and conditions of the authorization issued under the Bio-medical waste Management Rules, 2016.

Your's faithfully
